The Rhode Island Modern Music Project (RIMMP)

Mission Statement: The Rhode Island Modern Music Project (RIMMP) is the state's first New Music Company in residence. Its mission is to build and nourish a community of New Music appreciation through the creation, preservation and presentation of Twentieth (20th) and Twenty-First (21st) Century Music to the widest possible audience, while providing performances and educational programming, of the highest quality.

For more Information, contact **Founding Executive Director: Christy Isles**
