\*Rehearsals are very important and cannot be missed. A phone call is required if missing a rehearsal is unavoidable (you could be missing a costume fitting day). Rehearsals will give your child the self confidence and assurance he or she needs to perform. Coordinating a cast over 100 dancers is difficult when the student is unable to attend. For questions or concerns, Miss Ana can be reached at any time by phone, in the office or by email info@stateballet.com.

Thank you.
